[APPLICATION] Network security apparatus and method

US Pat. 10624273 - Filed Apr 14, 2004

[0011] In another general aspect, the network security method includes

quantifying damages avoided by one or more **blocked attacks** and calculating security ...

Ultrasonic detection of high temperature hydrogen attack

US Pat. 5404754 - Filed Feb 10, 1993 - Shell Oil Company

7 8 face. Release the transducer when the average finishes. only the amplitude but not the waveform of the Plot the averaged display as the result of the ...

Method for providing integrity bounding of weapons

US Pat. 8796213 - Filed May 23, 2003 - Raytheon Company

 The method includes **determining** an aim-point of a target and **determining** an ...

 5 is a flow diagram of a method for **determining** an integrity bound of a ...

[APPLICATION] METHOD OF PROVIDING INTEGRITY BOUNDING OF WEAPONS

US Pat. 12017177 - Filed Jan 21, 2008

 The method includes **determining** an aim-point of a target and **determining** an

 alert limit for ... 5 is a flow diagram of a method for **determining** an integrity

...

[APPLICATION] Method for providing integrity bounding of weapons

US Pat. 10912963 - Filed Aug 6, 2004

 The method includes **determining** an aim-point of a target and **determining** an ...

 5 is a flow diagram of a method for **determining** an integrity bound of a ...
